

reactions of sulfur dioxide with neutral vanadium oxide ... - dynamics of reactions of vanadium oxides with SO_2 . while solid-state studies might provide more realistic models for heterogeneous catalysis, gas-phase metal oxide clusters also represent a valid model for the active sites of the condensed-phase vanadium oxide catalyst.³⁷ gas-phase experimental and **ambient preparation and reactions of gas phase silver ...** - ambient preparation and reactions of gas phase silver cluster cations and anions³⁸ michael wleklinski,^a deprejan sarkar,^b adam hollerbach,^a thalappil pradeep^b and r. graham cooks*^a electrospray ionization of metal salt solutions followed by ambient heating transforms the resulting salt clusters into new species, primarily naked ionic metal ... **reaction of carbon monoxide and hydrogen on neutral ...** - phase reactions, but a few studies are done with gas phase systems.⁷ clusters are good models to simulate active sites of complex solid state catalysts. molecular level mechanisms for condensed phase catalytic reactions may be understood through the study of gas phase model reactions. moreover, **progress in the kinetics of slag-metal-gas reactions, past ...** - surface area change in slag/metal systems, the application of laboratory kinetic data to real processes will take a big step forward. 3. gas phase in slag metal reactions **gas-phase dimerization of ethylene under mild conditions ...** - gas-phase dimerization of ethylene under mild conditions catalyzed by mof materials containing ... metal-organic framework, ethylene dimerization, gas-phase reaction, (bipyridyl)nickel complexes, catalysis ... and to include gas-phase reactions.¹² yet for many mof-based catalysts that have been studied to date, the slow ... **gas-phase reactions of bare and oxo-ligated actinide and ...** - gas-phase metal ion chemistry, qit has been employed to investigate other aspects of gas-phase ion chemistry. among the reactions studied in a qit were proton transfers between organics [17]; recent work has included complexation of transition metal ions by crown ethers [18]. several studies in recent **gas-phase reactivity of ruthenium carbonyl cluster anions** - gas-phase reactivity of ruthenium carbonyl cluster anions matthew a. henderson, samantha kwok, and j. scott mcindoe ... enable the study of gas-phase reactions can be quite elaborate and require considerable rebuilding and cus- ... gas-phase reactivity of ruthenium carbonyl cluster anions ... **gas phase structure and reactivity of zirconocene cations** - gas phase structure and reactivity of zirconocene cations by alexander a. aksenov a dissertation presented to the graduate school of the university of florida in partial fulfillment of the requirements for the degree of ... 5.2 gas-phase reactions of the bis ...
